## WHAT SETS TNBAOhio APART?

### COACHING EXPERIENCE

### PLAYER DEVELOPMENT:

We get players to the next level – HS, NCAA, Pros

### COMPETITIVE PROGRAM:

We aren't trying to build teams for one and done years - we are dedicated to developing players for future success! Each year our teams boast at least one National Championship and over 300 wins. Last year we had seven teams ranked in Ohio's top 20.

The National Basketball Academy is an important asset to the youth basketball population in Greater Cleveland. Steve Vega is an excellent teacher in regards to basketball fundamentals. He commands excellence from the youth he works with through his understanding of the game, patience and his work ethic. I would recommend the National Basketball Academy to any player whom is focused on improving in the game of basketball.
