### **WHAT SETS TNBAHouston APART?**

#### **COACHING EXPERIENCE & PLAYER DEVELOPMENT:**

We get players to the next level – HS, NCAA, Pros!

#### **COMPETITIVE PROGRAM:**

We aren't trying to build teams for one and done years - we are dedicated to developing players for future success! Each year our teams compete at very high level reaching sweet 16 or elite 8 at National Exposure events across the country, with over 200+ wins. Last year we had several Championships in the 10u- 17u divisions, our 4th grade team ranked top 8 in the Texas Region, and a handful of 17u players, class of 2017, who started with us in 6th/7th grade and now are moving on to NCAA Division I, II, and III levels!
