

### **COVID-19 Safety Checklist**

Each player is required to complete this questionnaire in the privacy of their own home with a parent or guardian prior to attending any training session or game. In completing this questionnaire if the answer to each and every question is “NO” please proceed to training session or game. Should you answer “YES” to one or more of the questions DO NOT attend the training session or game. Our goal is to maintain a safe environment for all of our clients. Thank you for your support.

#### *Coronavirus Self-Checker:*

1. **Do you have a fever or chills?**
2. **Do you have a cough?**
3. **Do you have a sore throat?**
4. **Are you experiencing any shortness of breath?**
5. **Do you have a recent loss of taste or smell?**
6. **Have you experienced any recent GI upset or diarrhea?**
7. **Do you have any muscle or body aches?**
8. **Have you had contact with anyone known or suspected have COVID-19?**
9. **Is your current temperature 100.4 or greater? (Please take player temperature)**

\*Reminder: If your answer is “YES” to any of the above questions stay home from training or game. You are asked to notify The National Basketball Academy of health status. Furthermore, consult your physician. Lastly, follow CDC guidelines on self-quarantine and return to play where applicable.

If you have any questions, contact your TNBA trainer or coach, or call the office at 216-378-0932.

Thank-you for helping us in keeping you safe.
